Training Session on EMIS database(ISI Emerging Markets)

Place : Seminar Room, Central Library
Date : July 26, 2018 (Thursday)
Time : 3 : 00 PM

EMIS

A Euromoney Institutional Investor company

EMIS database provides information on emerging markets. Covering over 120 developing countries, our information platform provides a unique blend of analysis, data and news on companies, industries and countries. Provides content from the world's macroeconomic experts, the most renowned industry research firms and the most authoritative local news providers.

EMIS provides one stop solution for information on:

- ✓ Industry reports (150+ sector research reports + Niche sector reports also)
- ✓ Deal database (M&A – ECM deals information)
- ✓ Company information (Listed & Unlisted company information)
- ✓ News (All newspapers & Business magazines available with archives)
- ✓ Macroeconomics information

EMIS enables students and academics to:

- ✓ Quickly navigate high volumes of content to isolate the information most pertinent to your research needs.
- ✓ Generate informed, conclusive and thoroughly evaluated reports – in just a few clicks.

Please confirm your participation by registering using following link, it help us to plan accordingly:
