**User Awareness Workshop on
ScienceDirect, SCOPUS and MENDELEY(Reference Management tool)**

Place : Seminar Room, Central Library

Date : September 1, 2017 (Friday)

Time : 3:00 pm – 5:00 pm

ScienceDirect provides subscription-based access to a large database of scientific and medical research. It hosts over 12 million pieces of content from academic journals and e-books. The journals are grouped into four main sections: Physical Sciences and Engineering, Life Sciences, Health Sciences, and Social Sciences and Humanities.

Scopus is the largest abstract and citation database of peer-reviewed literature and quality web sources with smart tools. It facilitates collaboration, rewards innovation and generates higher content value.

Use of reference manager can be a powerful addition to research activities. Mendeley is a Reference Manager and Academic Social Network that can use to manage references, research papers (PDFs), annotating your PDFs, taking searchable notes, citing while writing, automatically creating bibliographies, syncing account between multiple computers, collaborating, and discovering new research in fields of interest.
