

DMS Library: Your Gateway to Knowledge & Research

**An Introduction to Library Resources, Services,
Digital Collections, and Research Support for
Academic Excellence**

Welcome To Our Library

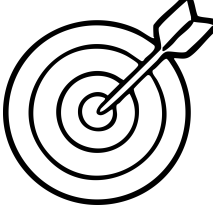

The DMS Library is committed to empowering learning, research, and innovation through quality information resources and user-focused services

The Department of Management Studies (DMS) Library is a specialized academic library dedicated to supporting the teaching, learning, research, and consultancy activities of the Department. It provides access to a rich collection of print and digital resources in the field of management and allied disciplines. **Located on the Ground Floor of Vishwakarma Bhavan, Department of Management Studies, IIT Delhi.**

The library offers a wide range of services, including book lending, access to electronic resources, research support, thesis consultation, current awareness services, and user orientation programmes. It serves as a knowledge hub for students, faculty, researchers, and staff by facilitating access to reliable and up-to-date information resources.

The DMS Library works in close coordination with the IIT Delhi Central Library to ensure seamless access to a comprehensive range of scholarly resources and information services.

Our Vision

Support Academic Excellence

To empower teaching, learning, and research by providing comprehensive information resources and innovative library services.

Promote Research and Scholarly Excellence
