DECLARATION

I hereby declare that:

1. The work presented in this thesis is original and has been carried out by me as a student of IIT Delhi.

2. To the best of my knowledge, the work presented in this thesis has not been submitted, either in whole or in part, to any other institution for the award of any degree or diploma.

3. I have adhered to the guidelines prescribed by the Institute for thesis preparation.

4. I have complied with the provisions of the Institute's Honor Code and have neither engaged in nor tolerated any form of academic dishonesty, including plagiarism, intentional data fabrication, data falsification, data misrepresentation, or unauthorized collaboration beyond that permitted by the Student Research Committee, as defined and approved by the Institute.

5. I take full responsibility for all data presented in this thesis and confirm that no data has been collected without appropriate permission. Where required, ethical approval has been obtained for the research, and all relevant approvals and documentation have been included as part of the thesis submission.

6. All sources of information, including data, ideas, and text, have been duly acknowledged and appropriately cited in the thesis.

7. The use of artificial intelligence (AI) tools (if any), including large language models, has been appropriately disclosed. All analysis, interpretations, and conclusions presented in this thesis are my own.

8. I understand that any violation of the above provisions may lead to appropriate action as per Institute rules, including withholding of degree approval or revocation of the degree, as applicable under Institute regulations.
