

EndNote 20

EndNote 20, the world's essential reference management tool, helps you save time, stay organized, collaborate with colleagues, and ultimately, get published. So, you can focus on what matters most: your ideas.

Accelerate your research.

Search hundreds of online resources for references and PDFs.

Ensure your bibliography is accurate with refreshed journal and referencing styles.

Access full text research articles with one click.

Access your research anytime, anywhere from the cloud. Move seamlessly between online and the desktop and iPad applications.

Easily read, review, annotate and search PDFs in your library.

Share some or all of your library with collaborators worldwide.

Create rules to automatically organize references as you write.

Provide write or read-only access to your library.

Keep your data accurate with automatic reference and link updating.

Use the new Tabs feature for easier multitasking.

Quickly deduplicate the content in your library by searching on unique identifiers.

Track your teammates' changes and view their activity in your shared library.

Insert in-text citations from your library with the Cite While You Write feature in Microsoft® Word.

Match your paper with relevant, reputable journals using Manuscript Matcher.

Automatically build your bibliography using the library of 7,000+ reference types or your own customized style.

Conduct large-scale literature reviews with ease and speed using the powerful analysis tools.
