## Exploring ASTM Compass

26<sup>th</sup> May 2022, Thursday; 4:00 – 5:00 pm

### Introduction

Over 12,800 ASTM Standards operate globally. Defined and set by ASTM International, these standards are used in innovative business services. They enhance performance and build everyone's confidence in the things they buy and use. ASTM Compass is the Portal for Standards, Testing, Learning, & More. The Webinar will provide step-by-step instructions and demonstrations on the layout and features of the ASTM Compass platform.

### Coverage of the Workshop

- Explore all the content Compass can deliver
- Navigating the new search tool
- Best practices for annotating important changes to standards
- How to leverage the Version Comparison tool
- Understand all the features and how to use them to for full advantage
- Q&A session

**Resource Person:** Mark Reese, Account Education Manager, ASTM International
