

AUTHOR WORKSHOP

Friday 7th September: 3:00 – 5:00 PM
Venue: Seminar Room, Central Library

(OPEN ONLY FOR FACULTY AND RESEARCH SCHOLARS)

Agenda

- Choosing a journal
- Writing your paper
- Top 10 tips for getting published
- The peer review process
- Production, publication and promotion

Speakers

David Boyt

As a Publisher, managing a portfolio of journals on behalf of IOP and its partners, David's role involves liaising with partners and editorial teams on journal strategy, policy and setup; working with authors to commission work, and representing the publisher and the journals in the community. He has over 10 years' experience in academic publishing and prior to joining IOP in November 2017, he worked as a Managing Editor on Taylor & Francis' Social Sciences and Humanities lists.

Jennifer Sanders

Jennifer manages the production of a portfolio of journals, books and conference series; and has previously managed the peer review process for a range of applied physics, measurement and instrumentation journals. She joined IOP Publishing in 2012 after completing her PhD in Photon Physics at The University of Manchester in the UK.
