Video Library Services

The Central Library has a collection of more than 1,800 CDs. The Video CDs are kept in the computer Application Division of the Central Library for viewing. Most of the video CDs in the library consist of video recording of series of class room lectures delivered by the IIT faculty to the undergraduate engineering students. These video recordings are done by the professionals video recorders employed by the Educational Technology Services Centre. The videos in the CD/DVD format have been kept in the computer application division in the central library. This facility can be availed from 9:00 A.M. to 5:30 P.M. on all working days. A number of such other lectures from other IITs and IIS (Bangalore) are also available at NPTEL website (http://nptel.iitm.ac.in).

Text Books and Book Bank

➢ The Text Book & Book Bank section is the backbone of the Central Library as it caters to the course needs of the B. Tech. students.

➢ A portion inside the section is available for serious reading as well.
Know Your Rules of Text Books

➢ Text Books are to be issued for two days only.
➢ Only two books may be issued at a time from text books
➢ Late fine is charged @ Rs.6 per day.
➢ "Not to be issued" marked books cannot be issued, these can be used for reading purpose only.
➢ Books from this section may be taken outside of the section area for reading and photocopying purpose only and for that students have to submit their ID cards with the book card available from inside the book.
➢ Your ID is essentially required for all Checkouts. We cannot make exceptions for Checkouts.
The Book Bank is for use by undergraduate students and Books are issued on semester basis only without any rental.

Students may apply for books from the Book Bank collection as per the schedule announced by the Library.

Up to 6 books can be reserved and issued per semester by the undergraduate students.

Books in Book Bank can be returned on or before the due date.

Late fine @ of Rs. 1/- per day.
Ph.D. Theses

- Theses Section is housed in the same area in which the Text Book & Book Section is located at the Ground Floor.
- Central Library receives copies of all the Ph.D. theses awarded at IIT Delhi.
- The Database of the Ph.D. Theses is accessible through the WebOPAC by Title, Author, Supervisor, Department, Year, etc. and also through another interface especially designed for searching the theses at: http://eprint.iitd.ac.in
- Theses in the stacks have been arranged according to the year of submission.
- Theses are made available for consultation only within the section.
- Photocopying/scanning through mobile is not allowed.

IP based access to all the subscribed resources is available within the campus. Please visit the Central Library website https://library.iitd.ac.in. The subscribed resources are available under the E-Resources subheading.
How to Access E-Resources contd.

Remote Access: Through SSO system

Most of the e-resources are available to access through the SSO system, Shibboleth. If you are not in the IP range of IIT Delhi:

Visit the page https://idp.iitd.ac.in/

Click on the resource which you want to access.

Enter your IIT Delhi credentials/Kerberos and follow the steps
Remote access: Through User name and password

A few resources can only be accessed through username and password. The library circulates the user name and password to all the faculty members and students from time to time.

Open [https://idp.iitd.ac.in/](https://idp.iitd.ac.in/)

Enter the respective ID and password.

If you need a username and password to access these resources, please mail to erd@library.iitd.ac.in or vkverma@library.iitd.ac.in

Please note that a few resources are only available to access within IP range of IIT Delhi.
Access of old bound volume printed journals

Old bound volumes of printed journals are stacked on the second floor of the library. These can be accessed in-person only. These journals can be searched by using the library web OPAC (http://libcat.iitd.ac.in:8080/opac/).

The user can go to the stack to retrieve the required journal or contact the library staff.

- The username and password will be shared once registration is complete.
- Use these credentials to access SciFinder-n.
E-Resources Usage Policy

Guidelines for Fair Use of e-Resources at IIT Delhi: Usage Policy

- Electronic resources such as e-journals, e-databases, e-books made available by the Central Library, IIT Delhi are for academic use.

- These resources can be searched, browsed and material may be downloaded and printed as single copies of articles as is done in the case of printed library material. Downloading or printing of a complete book or an entire issue or a volume of one or more journals (called systematic downloading) is strictly prohibited.

- Use of robots, spiders or intelligent agents to access, search and/or systematically download from these resources is also prohibited. Any violation of this policy will result in penal action as per the rules and regulations of the Institute.

- Please be aware that systematic downloading will cause the publisher to block the entire community of users @ IIT Delhi from accessing these resources.

The Central Library subscribes thousands of e-Resources directly through the publishers and eSS Consortium. The terms and conditions for using these resources are spelled out in electronic resource license agreements with each publisher. It is the responsibility of individual users to ensure that the use of electronic resources does not breach the terms and conditions specified in the license agreements. Licenses vary from publisher to publisher; however, the general principles are as follows:

Research Support Services and Outreach Programs

This section explores to support research and outreach services to the clientele of the Central Library using Research Information Management (RIM) and other library resources, services, and products. We at Central Library provide services, resources, products, and expertise to support every phase of your study, teaching, research and extension from design to creation and sharing. The section takes care of the Faculty Profiling System of IIT Delhi and provides different types of raw and analysed data for different purposes to help institute achieve its goals including for the ranking purpose as well.

Outreach services are now an important component of the libraries through which users are trained to make optimum use of the resources subscribed by the library or available in open access. The section also has the responsibility to conduct Author/Publishing Workshops and to help the users in making use of the academic writing and research tools including Grammarly, Turnitin, different online bibliographic and full-text databases, eBooks, etc.

We further plan to strengthen research services, help to discover and access library and archival materials, data, and e-resources beyond the library catalogue and topic guide for the resources selected by subject specialists to focus your research on a topic, projects and partnerships between the Libraries and research community, to arrange Workshop Specialists to provide instructions on research methods, etc.

The section is guided by all the relevant people from the Central Library who have expertise and interest in this domain of the system under the overall supervision of Librarian & Head, Central Library.
