Webinar on

SciFinder Scholar for Academic Research

Date : May 22, 2019 (Friday)

Time : 4:00 PM

SciFinderⁿ is a research discovery application that provides integrated access to the world's most comprehensive and authoritative source of references, substances and reactions in chemistry and related sciences. SciFinderⁿ is the next generation of SciFinder. It helps scientists do research in less time with the premier interface to the CAS content collection that offers the most advanced chemistry relevance engine in the industry.

Agenda and Content:-

- ✚ Introduction to CAS and SciFinderⁿ
- ✚ Orientation on Substance, Reference and Reaction searching capabilities
- ✚ Detailed discussion on new features like PatentPak, MethodsNow synthesis and Markush included in SciFinderⁿ
- ✚ CAS Retrosynthesis Planner and its capabilities
- ✚ Q & A

How to Register and Attend the webinar:-

- Please click the registration link and fill-in the online form (Name, EmailID as @iitd.ac.in, contact number) –
<https://casevents.webex.com/casevents/k2/j.php?MTID=tb286069f2e57344de51a5cb610552b57>
- You would get a registration confirmation email within 24 hours with all necessary steps that need to be followed to connect to the session on 22nd May. (please note that, this link will be unique for each participant)
