The Digital Platform for the Indian Start-up Ecosystem

Step by Step Guide to Access YNOS Platform

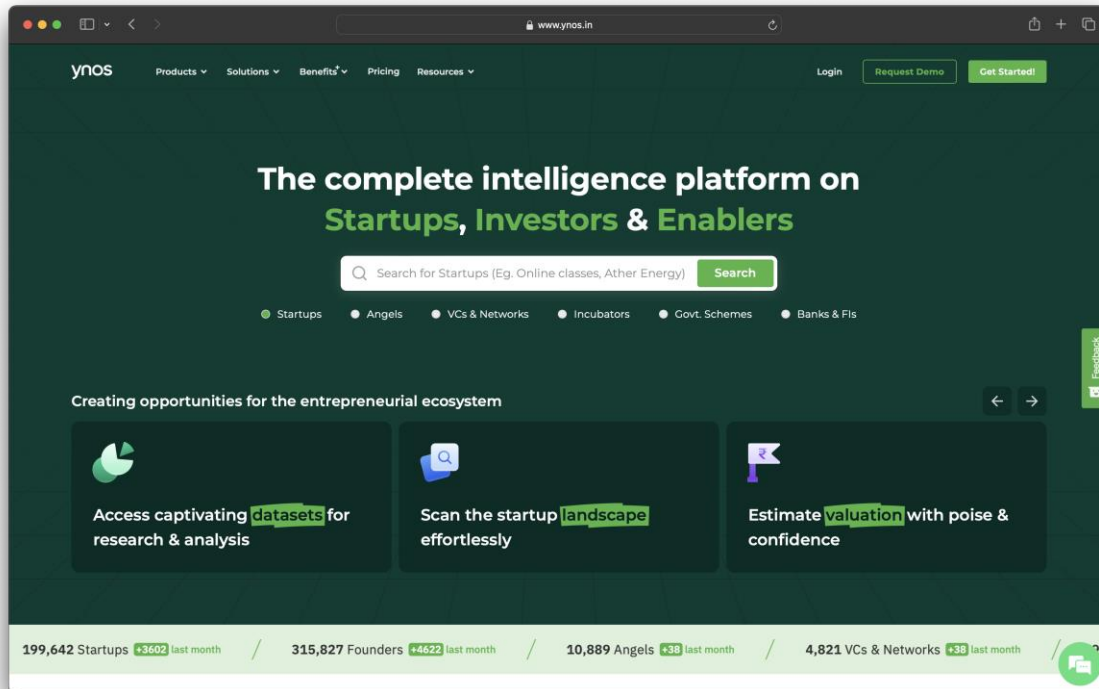

Access Type

IIT Delhi has been provided:

- **IP-based access:** With IP based access, users wouldn't need to create an account to access the YNOS database. Head to ynos.in and start exploring!
- **Domain-based access:** Some products on YNOS can be customized to your inputs, and requires account creation using the email with whitelisted domain (iitd.ac.in). To obtain domain-level access, head to next slide and follow the steps for registration.

STEP 1

Land on the YNOS platform [Home Page](#) and press the **Get Started!** button available on the top right corner.

STEP 2

Create your account using your IITDelhi Email ID (@iitd.ac.in) to which YNOS access has been provided and set a password for the same.
